Aesthetically and Sensually Pleasing Home Theater

What makes for a successful home theater? Our clients tell us, and we tend to agree, that it's the seamless integration of high technology with personal tastes and style, bringing to life a unique, complete and all-enveloping, effortlessly entertaining environment. Visit the Millennium Home Theater by ****, Ltd., and experience home theater entertainment the way it was meant to be.

Creative Cabinetry to Fit Any Lifestyle and Budget

There's something about meticulously detailed fine custom cabinetry. Perhaps it's a realization of the long hours and care that goes into each piece. Or maybe it's the texture you feel when you run your hand along the smooth, satiny finish of exotic wood veneers. Either way, let the experts at ****, Ltd. help you capture the essence of wood with custom cabinets for the home or office.

Enjoy Life's Most Pleasurable Pastimes Even More

Dining rooms are for more than just eating, and bedrooms for more than just sleeping, when they're accompanied by award winning dining room and bedroom furnishings, both standard and custom, in any finish imaginable. Unique concepts and accoutrements to fit the personality of every home and budget are yours at ****, Ltd.

The Smallest Delights to Maximize Effect

Custom crafted area rugs from soft, virgin New Zealand wool. Commissioned paintings. Cocktail tables. Curios. Room dividers. Fireplaces. Sculptures, clocks and lighting from artisans around the globe. Count on ****, Ltd. for the inspiration you need to polish any room, at price points that are sure to please. On-approval available.

Upholstered Living In Texture and Color

Whether you're seeking a standard sofa or sectional, or a custom designed piece, top it off with any texture, and any color, to please any and all of your senses. Leather, dyed to match or not. Ultra and Nova suede. Your fabric. Your color. It's your choice at ****, Ltd.
